Pastoral Review of Missionary

Dear Pastor,

We would like to first of all, thank you for having a missionary that is working with All Points Baptist Mission. We trust that you had a great service and the missionary was a blessing to you and your church. As a ministry to help missionaries, we would appreciate some feedback from you concerning the missionary and his presentation. After observing the missionary and you feel that there are some areas that could use some attention on our part, please let us know. We want to be able to help the missionary get his support quickly and on to his particular field of service. So we will take your input to heart and work with the missionary. We want the best for each missionary and for our Lord. Thank you for your time and consideration of the missionary.
