## *Baptist Mission*

*“A ministry with the world in its view and the church in its heart.”*

Jan, Feb, Mar, 2019

Dear Pastor, Church and Friends,

“The steps of a good man are ordered by the Lord: and he delighteth in his way.” Psalm 37:23. How we Christians ought to crave for our steps to be ordered by the Lord and for Him to be delighted with our obedience. Since Christ’s last command (the Great Commission) before ascending to Heaven, is going to be one of His concerns at the Bema Seat, we must seek to fulfill it. Let us not get so busy with other things that we forget why we are here.

2019 has started off busy and it promises to remain so until we say goodbye to it in just a few months. In January Jordan Kurecki was approved to start deputation for going to Uganda, Africa as an APBM missionary. Also, in January, cousins Nate and Michael Shaver and their families were approved for missionary service to the country of Iceland. Somewhat unique, but certainly Biblical. In fact, I applaud the team approach especially in this situation. Iceland has been a “grave yard” for missionaries. By that I mean that the work there is slow. Missionaries of the past have not stayed long term and very few churches have been established. I know of only one missionary who has been faithful.

In March we approved in principle another military chaplain. He was approved in principle until he finishes his studies for the required master’s degree.

Beyond that, this quarter, I have been used in hospitals, funerals, nursing homes, visitation, college mission classes, a Sportsman’s banquet, a Missions emphasis Sunday, several pulpit fills and especially representing APBM in local churches. I have been to Canada once to strengthen APBM’s relationship with Points North Baptist Mission, which you may recall operates as a affiliate of APBM in Canada. In other words, I’m about as busy as I can stand. I still have the fire in my heart, but find the flesh weakening with age (74). Some of you may know what I mean.

God bless you. We love you and thank you for your continuing support. Together we are making a difference in many lives.

Pressing on,
