MINISTRY UPDATE:

We continue to have a good turnout for our Sunday service. We are slowly gaining ground with some of the local people. We have a new family that has been coming for several weeks and we are very excited about them. We have been able to help them with some struggles and that has opened up the door for ministry. One such example was their need for a refrigerator. We didn't have an extra so we prayed about finding one for them. I put a quick message on the town buy and sell page. Someone hit me back and said he had one that was free! I went, picked it up, thanked him and delivered it to the needy family. They were delighted with their "new" fridge. We pray for doors of opportunity and sometimes that comes in many different shapes and sizes.

We are having our first Harvest Party with games, candy and food. This will take place at the church during the time of trick or treat in town. Halloween is a big deal for this little community and we have those that don't want their children to be involved in it and I say Praise the Lord!!

FURLOUGH 2018:

It's hard to believe but June 2018 will be five years that we have ministered in the Sahtu NWT. During those five years, we have made a few short trips back to the states for weddings, babies etc. This will be our first trip back for a lengthy period. We will be arriving sometime in August, depending on when the barge transports our truck to Ft. Simpson. After arriving in Ft. Simpson we will start the long trek south. We will be south until January and then when the road opens, we will head back to the Sahtu. We are currently scheduling meetings. If you would like to have us in please contact us by email or you can give us a call. Churches that are out west in Wyoming and South Dakota, we will have some time in January to visit with you folks. We will be passing through your neck of the woods as we head back to the Sahtu. We are looking forward to sharing what the Lord has done, is doing and will do in the future for the Sahtu.

STOCKUP TRIP SOUTH:

As soon as the road opens in December we will be heading to Edmonton to do our yearly stock up. Our temperatures will be very cold and the trip through the wilderness is no picnic. Please pray for safety and good sales! LOL!!!
