Count your blessings & name them...

It would be impossible for us not to be exceptionally thankful in this season. As we will be celebrating Thanksgiving, we know where our thoughts will be. Every time we are in a church, it feels like we are leaving with a boost of encouragement! For the past two years, through His people, God has done amazing things for us. People have donated oil changes, tires, food, clothing, hair cuts, computers, gift cards, instruments, projectors, scooters (transportation on the Island), and countless other personal gifts. These are just some of the things that God has given to us through His people. We are so thankful!

In October we presented in 13 churches with 2 saved and many encouraged! We have had the privilege to be in some really great churches. The church that meets in this beautiful sanctuary (pictured above) is an example of such a church. This sanctuary is a testament of what God can do with a church on their knees, unified for the Lord.

Thank you for your hospitality. Stay faithful!
