Merry Christmas! You should have received your Christmas cards in the mail. Please hang these in your church and when the season is over you can cut off the bottom and use the picture for your mission display, if you so desire.

Big announcement!

First, we would just like to thank the Lord for a great November. We always have good Thanksgivings, but this one was extra special. We were reminded, you can never be thankful enough. These holiday seasons will be the last that we will be sharing with our families for the foreseeable future, so we are trying to make the most of them.

In November, we were in 6 great churches. We saw 2 people saved. December will be slower, as we will be spending quite a bit of time with family. Please pray for our travels.

Here is the big **announcement!** We are coming to the end of Deputation and have a date for departure! The date is Feb 27th! Our family is so excited for this new stage in the ministry. We have worked very hard for the last two years to get to this day. Please pray that everything goes smoothly. There is still much work to be done in our preparation for the move. A few churches will be having us present our ministry in January and February, but most of our time will be given to packing and preparing to leave.

We have **two praises**. One: We have found a temporary place to stay when we first arrive in Puerto Rico, during which time we will be looking for a place of residence on Vieques. Two: God has given us peace about a departure date. Keep us in your prayers!

We wish you a Merry Christmas and a Happy New Year!
