## MISSIONARIES TO GREENLAND

February and March 2018,

Greetings in the name of our Lord and Savior Jesus Christ. It is a blessing to be saved, to know it and to serve a risen Savior! The past two months have continued to be busy with school and deputation. We only have six weeks left of Advanced Missionary Training at Baptist Bible Translators Institute. We also have a handful of scheduled meetings before our planned departure for Greenland in July. We rejoice in that we are currently at 94% of our needed support level! Thank you for your support in prayers and finances.

We submitted our paper work to the Danish consulate in Houston on March 9th. We were the first Americans to have submitted an application for residency to Greenland from the US side. It was a learning experience for us and them. After four hours and \$1670 later, we were assured that we had all the proper paper work that was necessary. Now we wait for an answer from Greenland as to whether or not a permit will be granted. Please pray that we can receive a timely response so we can schedule our container for moving and secure our airline tickets. For those who have asked, we are still raising funds for our airline tickets, winter gear, and other needs. We are praying about possibly taking a small side by side UTV for our transportation. In the long run, this would save us in taxes and import fees versus a vehicle. If you would like to give toward any of these needs, please mark checks in the memo as such.

At BBTI, we are currently studying Bible translation, New Testament Greek and Indigenous Church Planting. We want to ensure that the Greenlanders have a trustworthy Bible, and the BT class and NT Greek will aid us in this process. I am eternally grateful for having an accurate and trustworthy copy of the Word of God (KJV) in my language. We are also enjoying the Indigenous Church Planting class as this is our primary goal for Greenland. The only way the missionary's work will continue is by planting local churches. Our goal is to teach the Greenlanders the truths of God's word and they in turn pass this on to their people and the next generation. This is the biblical way for a country to be reached with the gospel of our Lord Jesus Christ.

The family is doing well. This past February 15th, my wife and I celebrated our 21<sup>st</sup> anniversary. Thank you to all who wished us a happy anniversary with cards and gifts. We are really excited to see the meetings coming to a close and enter into a new phase of ministry. Deputation has somewhat conditioned us to constant moving and saying goodbyes, but a move to the far north will be a challenge for us. Please continue to pray for us as we prepare for this move and the many adjustments that are coming.

For His Glory,

The Wrights
